Jednokrilna vrata - Uski štok

Jednokrilna vrata sa gornjim fiksnim dijelom

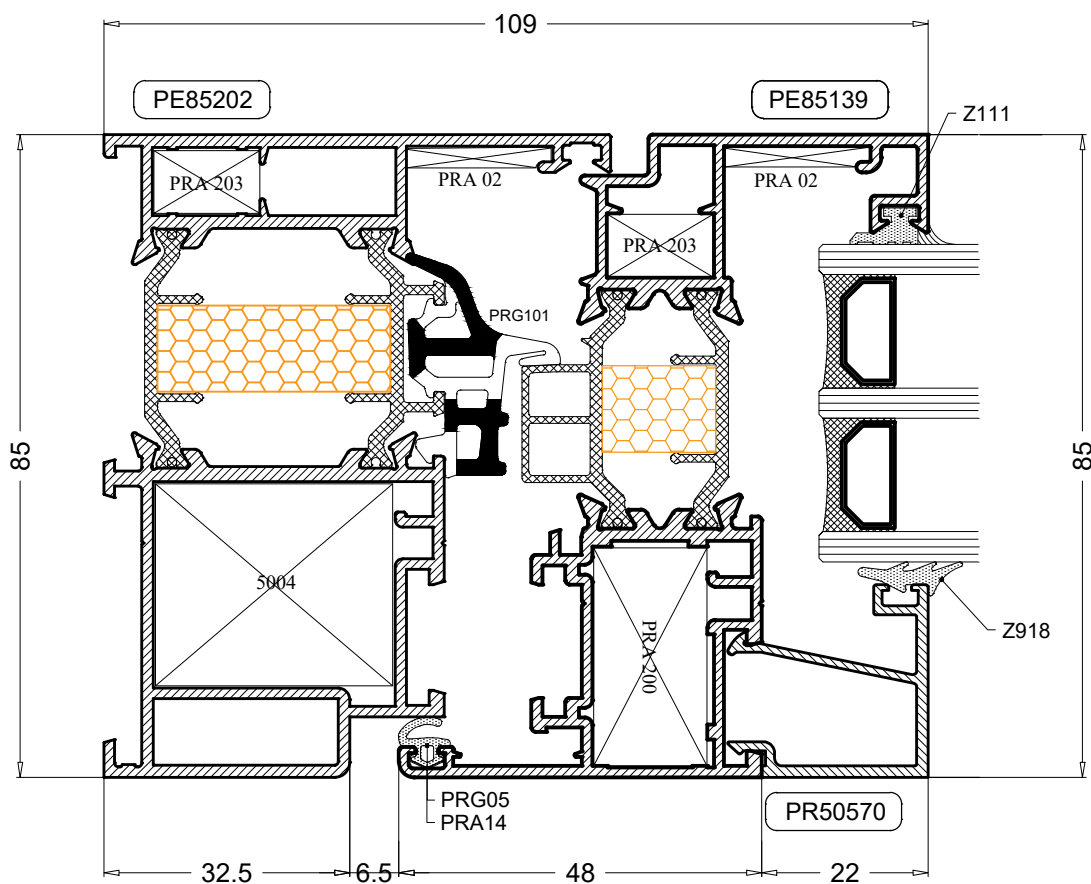

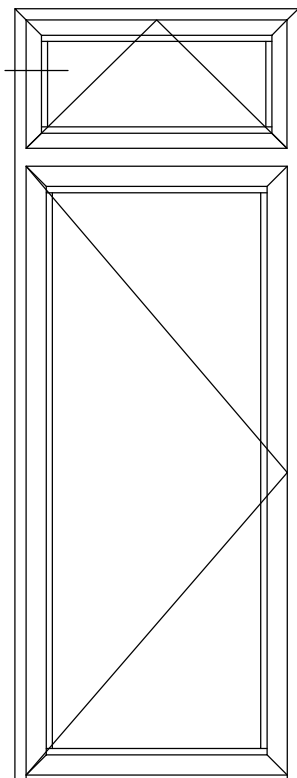

The diagram shows a rectangular frame composed of multiple concentric lines. A vertical line runs through the center of the frame, extending from the top edge to the bottom edge. A diagonal line runs from the top-left corner to the bottom-right corner. The frame is divided into four quadrants by these two lines. The top-left and bottom-right quadrants are shaded gray, while the top-right and bottom-left quadrants are white.
